

*"Green-ovate" your small business with a Georgia Green Loan!*

# GeorgiaGreenLoans

The Georgia Green Loan program promotes eco-friendly, 'GREEN' business initiatives. Businesses seeking to become more energy efficient in their operations are encouraged to apply.

**Use of Funds:** Loan funds can be used for any purpose related to environmental concerns: retro-fitting for sustainable utilities, energy-efficient renovations, attainment of LEED certification, implementation of recycling programs, purchase of environmentally friendly products for use or retail sale, etc.

*Green services*

**Rate/Term/Fees\*:** Each application will be considered on the basis of the company's unique financial needs. The maximum loan is \$50,000.

- Interest rates ranging from 4%—8% (determined by source of funds)
- The repayment period will be determined on a case-by-case basis not to exceed ten (10) years.
- Borrower is also responsible for closing costs and normal filing fees.

**\*RATES AND TERMS ARE SUBJECT TO CHANGE.**

**Not Eligible:**

- Non-profit organizations
- Consumer and marketing cooperative
- Business dealing in the creation, origination, expression or distribution of ideas, values, thoughts, or opinions.
- Specialty stores primarily engaged in selling products that promote or advocate ideas, specialized delivery, distribution or transportation concerns limiting themselves to distribution of "ineligible materials."
- Refinance of existing debt
- Refinance or purchase of real estate

**Collateral/Security:** Collateral (or security) will be determined on a case-by-case basis. Potential borrowers should know that SBAC is legally bound to secure each loan with sufficient collateral, to include personal assets. If assets are purchased, a first lien will be obtained. Personal guarantees of the principal owners of the small business concern will be required.

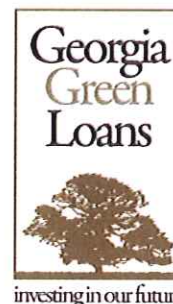

\* SBAC will process all loans in the order that applications are received.
